We're thankful that our lives remain constant:

- Barry continues as president of the Los Gatos Bicycle Racing Club
- Aldene's website business is expanding
- Aldene's mom continues in good health despite effects of a debilitating stroke in January, 2006.
- Barry's career takes him to Washington, D.C. so many times that he knows the airport shop personnel by name!

Our Love and Best Wishes to you in 2008

Nebuchadnezzar ('Nebbie') joined Ezekiel ('Zeke') in our house after being hand-fed by Aldene. He was hatched in our aviary in July
